YOUTH VOLUNTEER AGREEMENT

Thank you for volunteering for Vacation Bible School! Our youth are a tremendous resource and we value their help each year. Below are some guidelines to follow when volunteering with our children. Please read these guidelines over and sign the bottom. Your signature indicates that you understand your responsibilities to the children you are leading as well as all of the children participating in the program.

By signing this agreement, I am pledging my support to the Girard Community Vacation Bible School in the following ways:

1. I agree to assist the teachers and children during classroom time, craft time, game time, or any other time during Vacation Bible School.
2. I agree to motivate, encourage, reassure and comfort the children whenever possible.
3. I agree to stay with my assigned group at all times, unless it is necessary to perform other duties at the direct of the director.
4. I agree to be a Christian role model for the children by using good manners, using appropriate indoor and outdoor behavior, and treating others with dignity.
5. I agree to encourage the responsible behavior of my peers, who have also agreed to assist with Vacation Bible School.

My signature at the bottom of this agreement means that I am accepting the responsibility of caring and helping to supervise the children in the presence of adults. I understand that I am not a participant in this program, but an assistant who will work with the children to enable them to enjoy Vacation Bible School. I am accepting this responsibility because I enjoy helping younger children to learn about God.
